

- **More effective than an hourly or flat payout.**
- **Improves communication & transparency for project details.**
- **Eliminates restrictions set by contracts.**
- **Milestones guarantee you pay for someone who's working on the right track.**

- **Customizable payment schedule by allocating percentages to milestones you want**
- **Allows you to outline important features you want focus on**
- **Creates leeway for client if they don't want anymore development, or if plans change**

# Payment Schedule
